Sir,

At the outset, we would like to congratulate you for highly improved performance of the Bank during the quarter ending September, 2021. We are sure that our Bank will continue to grow further in the days to come.

We write with great pain that communications to Bank emanating from our end are never responded, not even acknowledged. Most of our communications relate to serious problems of Bank Retirees. We never intend to burden the Bank with unimportant issues. In the absence of any reply from the Bank, we are unable to provide any information to our members (Bank Retirees). Keeping the hardship of the old Retirees in mind, we would earnestly request you to ask the concerned departments to take prompt action on the issues referred by us on time bound basis and inform us the latest position. This action on the part of the Bank will be of immense help to the Bank Retirees.

In this connection , we would like to draw your kind attention to our communications regarding increasing the cap on additional interest on Fixed Deposit for Senior Citizen Retirees from 1.25% to 1.50% at par with large number of other Banks and are eagerly awaiting for a positive response from your end which will help the Bank Retirees and their families at the advanced age.

Respectful Regards,

Sincerely yours,

For All India UCO Bank Pensioners' Federation
