Carnage at Pahalgam Conscience of Humanity shocked. Nations Across the World Condemn

It shocked our Nation. In the most ugly way Humanity was attacked. The dastardly attack on the innocent Brethren of our Great Nation, coming from different states, happened in the Beautiful Valley of Baisaran on 22nd April, 2025. The most loved tourist spot of Pahalgam became a place of Mahem and barbaric killing of innocent people who had gone to Kashmir with a great sense of pride to celebrate holidaying in the serene location with their Near and Dear Ones. But Alas, little did they know that on that fateful day, the cruel minds of Terrorists would strike them in the most heinous way to announce to the whole world that they would push India i.e. Bharat into anarchy and animosity and destroy the beautiful concept of Harmony and Coexistence to which our Nation stands for.

The heartless Terrorists snatched away in the most cruel way the Husband from the Wife, Father from the Children and Humanity from Civilization. They inflicted the worst scar on the Ethos of our Nation and the wound is deep and distressing. India that is Bharat cannot be and should not be allowed to be challenged by those divisive forces and the Nation and the Government is determined to put down such misadventures of the Terrorists with a firm hand, this time Decisively and Equally with dire action programmes. The Indian Government has very clearly expressed its resolve to identify the Terrorists and the terror Camps and destroy them so that they dare not show at all their ugly faces in the future.

We, as Indians first, as True Nationalists and Responsible Citizens of this Great Nation rise up to support all measures that are being taken by our Government to put an end to such Holocaust and pledge ourselves to serve Bharat and its Concepts and Ethos for the well-being of our Brethren.

We dip our banner with utmost reverence in the memory of those Martyrs and Innocent People who became victims to Pahalgam Tragic Killings crafted and executed by the Terrorists from Our Soil and from across the border. Our hearts go out to all those who lost their beloved ones. At the same time, we resolve to stand by our Government and all the right-thinking forces to establish a Fearless Nation, Come What May.
