“We refer to your mail dated 8th instant forwarding an email sent by United India Insurance company. We have been informed that the window period for joining under the IBA's medical insurance policy was initially closed on 31.03.2016. Now United India Insurance co. Ltd. has decided to extend the window period for the left out retirees and the applications can now be submitted on or before 30.9.2016 by paying full premium of Rs.7559/- for retired officer employees and Rs.5670/- for retired award staff employees irrespective of their joining the scheme. Further their insurance cover will commence from the date of payment of premium and approval of the proposal by United India Insurance co. Ltd. Which will be valid up to 31.10.2016 in order to be in line with the existing medical insurance policy terms and conditions of our Bank.

We have already informed you that the left out retirees are desiring to join the scheme and want to submit their applications for the purpose. Please inform us the process for submission of applications and payment of premium by such retirees. The last date advised by Insurance co. is very near, We request you to please take an early action in the matter.
