Sub: APPEAL FOR DONATION FOR FLOOD VICTIMS OF ASSAM.

Dear Comrades,

You are aware that Assam is severely affected by devastating flood of recent time. Floods have displaced families, damaged homes and livelihoods and disrupted access to essential services. As reported more than 7 lacs people of Assam remain affected and thousands of families need support. For children, the impact is horrible. Innumerable families have lost their homes and are now without shelter, food, or safe drinking water. According the recent reports, more than 21,000 children have been affected by the floods. Whole villages have gone underwater, forcing families to flee with nothing but the clothes they are wearing. People have not safe place to sleep, no clean water to drink and no food to eat. Many are staying in relief camps waiting for urgent assistance. Homes are collapsed, roads and bridges have been damaged and farmland lies underwater. This year's extreme weather has caused floods not only in Assam but also in Gujarat, Kerala, Maharashtra and few other states.

But as reports received, this year Assam is the most severely affected state for devastating floods in India. At this critical moment, from Federation, we have some moral duties to perform for the flood affected people of Assam. We have decided to approach our members across the country to contribute generously as much as possible for the welfare of the flood affected people of Assam.

Our Assam State Unit has already come forward and started collection of contribution from their members. Our two Working Presidents Com. A G Deshmukh and Com. Ashok Bhardwaj and few Office Bearers have already donated to the stipulated account of our Assam State Unit. In the same line, we would request our members of all our State Units, please come forward and donate to help unfortunate flood affected people of Assam.
